

Assignment 11: Section 5, Broader Impacts and Full Proposal

DUE April 26th by NOON

(email to astr578besla@gmail.com, LastName_Assignment11.pdf, Subject: Assignment11)

- 1) Utilize the HST/JWST Template
- 2) Do not include your name in the document
- 3) Flush out Section 5. Broader Impacts

Not to Exceed ½ of a page

- Use a descriptive heading – headings should be declarative statements that convey the high-level point of the section.
- A) Describe the significance of the data products / solution you outlined in Section 4 to the subfield.
- B) Describe the relevance of the data products to other subfields and/or the community broadly.
- C) Finish with a statement that this program advances the key science goals of JWST/HST overall . For AR/Theory make sure to address the Impact of the program for the legacy of the observatory
- Include appropriate references.

- 4) Include the ENTIRE proposal in your submission.

- Abstract + Title on a separate page
- Science Justification **3 PAGES MAX (not including figures/bibliography/abstract)**
- There should be a total of at least 3 figures. Figures should follow the Science Justification Text, rather than be imbedded in the text.
- Page limit for science justification text, figures and bibliography = **8 pages total** (not including abstract)

Each section & abstract must follow the guidelines of Assignments 5-11

- 5) Update the Bibliography.

Follow Dual Anonymous Standards.
