- 1) Utilize the HST/JWST Templates
- 2) Flush out Section 2 from your outline.

Not to Exceed 1/2 page, 12 pt font

Use a descriptive heading that highlights “the problem”.

Paragraph 1:

- What is the “problem”?
- Include supporting facts to understand the problem
- Why does solving this problem advance the subfield?

Paragraph 2:

- What is the urgency/need for a solution? Why is this problem timely?
- Nuanced conclusion: Explain that the “key component” is the missing piece to solve the problem

Include At least 2 references

3) Include a figure that describes “the Problem”. The Figure can be cartoonish (think of what you might include for a talk). Include a figure caption.

- **Caption for the figure must end** with a takeaway sentence about the figure that says something to effect of “this is the problem this proposal will solve” (italicize or bold face text).

4) Include the Title, Abstract and Section 1 along with the rest of the outline for the remaining sections.

5) Include a Bibliography
